

Appendix X. Waste Gasoline Haulers

Refer to the Waste Containment and Disposal chapter of the *Maryland Clean Marina Guidebook* for information on hazardous waste laws. Waste gasoline is considered hazardous waste. The following companies will collect small quantities of waste gasoline and perhaps other hazardous materials.

Neither the Department of Natural Resources nor our partners in the Clean Marina Initiative recommend or endorse any particular company. If you would like to comment on the service provided by any listed company (positive or negative) or suggest other companies for inclusion, please call the Department at 410-260-8773. This list is not comprehensive and is provided for information purposes only. An independent search will produce additional results.
