

# DIY Park Quest

## “My MD Ranger” Adventures

Welcome to the Maryland Park Services “Park Quest” Program!

Print off and color your very own “My MD Ranger” to join your team on your Park Quest adventures in some of Maryland’s 75 State Parks. If you don’t have access to a printer, create or draw your own ranger with whatever materials you have on hand! Be sure to give your MD Ranger a name. Go exploring with your MD Ranger and see how many of these outdoor activities you can do during Park Quest! Take a photo with your Ranger and share your photos with us online with social media using #MyMDRanger, if you’d like.
