

MARCH 2023

Tuesdays and Thursdays Martinak State Park 10:30 AM March 7 - March 31

Meet at the parking area just past the park office on the left. Walk the paved fitness trail for a 1 mile walk or continue to walk 3 miles! It's easy to exit the walk when you are tired, and there are plenty of places to rest as you build your walking stamina. You will be surprised how easy it is to accomplish your walking goal when you have others to walk with.

Winter/Spring Hike Schedule

Wednesday, March 8 Martinak State Park 10:30 AM

Meet at the boat ramp parking area for an easy 3+ mile walk around the perimeter of the park and on the trails. Not ready for 3 miles? It will be easy to circle back to your car or find a comfortable spot to enjoy nature.

Wednesday March 15 Idylwild Wildlife Management Area 10:30 AM

There are several parking locations with plenty of trails at Idylwild located near Federalsburg, Maryland. A meeting place will be determined later. Walking along the Marshyhope Creek, you will see a mixture of hardwoods, pines and a variety of wildlife. More information will follow as a hiking route is determined.

Wednesday March 22 Tuckahoe State Park 10:30 AM

Pee Wee's Trail is the goal for today's hike. Along this trail you will see a couple of champion trees as we meander along the creek. This is a 5 mile walk as we loop back via the Tuckahoe Valley Trail. We will meet at the Equestrian Loop Trail Parking Area on Crouse Mill Road. There are no restrooms at this parking area.

Wednesday March 29 Tuckahoe State Park 10:30 AM

Meet at the Cemetery Road Parking Area off of Route 404 to hike the Creekside Cliff Trail, part of the Tuckahoe Valley Trail, and the Connector Trail. Some of the trail could be muddy or wet, but you won't be disappointed in the scenery. This will be a 5 mile hike. There are no restrooms at this location.
