

## SHOOTING RANGES IN MARYLAND

To Maryland shooters and hunters,

Do you enjoy shooting for the joy of it? Need a place to improve your proficiency with that trusty compound bow, or sight-in that new rifle you gave yourself as a present for being so good this year? Perhaps you are looking for a place to safely teach your spouse how to properly handle a handgun? This edition of Shooting Ranges in Maryland will help you find just what you are looking for.

Whether it is archery, shotgun, muzzle loader, rifle or handgun you prefer, always remember to think and practice safety. Should you have any ideas on how we might improve this brochure to better serve you in the future, please contact us at the address below.

The Maryland Department of Natural Resources, Wildlife and Heritage Service hopes your experiences at these range sites are enjoyable.

Good Shooting!
